A Confidante of 'Tyrants' is a behind the scenes, exclusive insider view of some of the most secretive world leaders of modern history. When US lawyer Eva Golinger first spent some time in Venezuela uncovering her ancestral roots, she little realized how the country was going to change her life. Within a few years she had become an enthusiast for the Bolivarian Revolution and a close confidante of its charismatic leader, Hugo Chávez. She achieved worldwide notoriety by exposing and ...

Confidante of Tyrants is told from a very personal, intimate, insider perspective of what it's like to be an American woman who was drawn to a movement pledging to fight for social justice with a very charismatic leader. Eva was behind the scenes of global power. She wandered the halls of presidential palaces, rubbed elbows with controversial world leaders, and was courted by declared enemies of her own country. She would come to know and even befriend some of these men, who so many in the ...
