I read MJ Greene's amazing memoir, A Conflict of Interest, about her time as a senior executive working in war ravaged Afghanistan. I was stunned reading it, because I could not imagine her living and working in such danger and in a theater of war. Beyond the substance of the book, the mere fact of her in constant danger and facing a world so different from my own was an ongoing shock to me. I admired her courage and bravery. She tells her experience of exposing and breaking down a corrupt ...

Due to Afghanistan's perfidious legal system, not only was Greene's career at risk, but also her freedom—and possibly her life. As a result, she faced a soul-torturing dilemma—look the other way or uncover the truth—and she chose to fight back. This tautly written book is filled with mind-twisting intrigue as Greene recounts how she secretly gathered evidence to expose the conspiracy. Her story contains all the suspense of a mystery novel, but readers may find it all the more ...
