Everyone knows that Jeremy Clarkson finds the world a perplexing place - after all, he wrote a bestselling book about it. Yet despite the appearance of "The World According To Clarkson", things don't seem to have improved much. However, Jeremy is not someone to give up easily and he's decided to have another go. In "And Another Thing", our exasperated hero discovers that: he inadvertently dropped a bomb on North Carolina; we're all going to explode at the age of 62; Russians look bad in ...
