Science tells that some unimaginable power must have put it there because from it came everything that exists in the universe. Some scientists just say "an unimaginable power" put it there, while others give a name to "that unimaginable power": they call it God. The greatest living astrophysical scientist, Stephen Hawking, says, "Anyone who chooses to believe in a Universal Creator is standing ...

Ray Stevens Lyrics "The Watch Song" I was sittin' in a bar room just drinking my beer when a cowboy came over and he said loud and clear "you've been seen with my wife now I want your life. We can do it in here or we can do it outside." Well I'm a meek minded fellow that's never been yellow so I stepped outside and kicked him in the crotch. Well it slowed him down but when he came around he ...
