As had happened at the time of the fall of Lemuria, those who were ready for evacuation just prior to the devastation that was to follow, were taken off the Earth by the Gods from space. Meanwhile, those beset with greed and lust for material supremacy, warred with each other. As neither side could win such an atomic war – down fell the civilization of Atlantis into charred radioactive ruins.

A city considered to be the utopia of its time, rich in resources and wealth, might have existed more than 11,000 years ago. Inhibited by a noble and powerful race, it had its influence even over the islands of England and Africa. At least, that is the description often given to the beautiful city of Atlantis. History
