RIMBAUD A BIOGRAPHY GRAHAM ROBB

Nov 28, 2020

[Rimbaud A Biography Graham Robb](#)

He went as an arms salesman and made it back home rich, to die from the same hereditary disease that killed his sister. Graham Robb's RIMBAUD is beautifully written, the poems beautifully translated (I'm French), and so interesting that I read through it in just 3 days (at 550 pages, it's rather big). Because I'm personally incapable of judging Rimbaud's poetry, you'll have to arbitrate his historical impact. My own books can be found on Amazon under Michael Hone.

[Rimbaud: Amazon.de: Robb, Graham: Fremdsprachige Bücher](#)

Graham Robb's brilliant biography moves Rimbaud on from his perpetual adolescence where our imaginations have held him to show the extent of his transformations. From phenomenally precocious schoolboy he became Europe's most shocking and exhilarating poet, author of poems that range from the exquisite to the obscene. But this brief, five-year period as the enfant-terrible of French literature is only one small side of Rimbaud's story. Robb takes us on a biographical journey through three ...

[Graham Robb: Rimbaud | Open House](#)

This whizzes into my Top ten Best Ever Biography (you don't get that in High Fidelity) because Robb manages to write sublime caustic prose that corrects both the record and the myth that surrounds Rimbaud. Robb knows his stuff and writes beautiful lyrical prose whilst also being alive to the obscurities and mistakes made by earlier writers. We see Rimbaud as an enfant terrible writing poetry that both harked back to the remnants of romanticism but also looked forward to modernism and beyond. W

One long, exhausting, dirty desecration of the senses. Booze, drugs, sex, political incorrectness (man would he have sneered at the PC culture today), and a general explosion of all conventions. But, as his teacher Izambard saw, this wasn't a senseless savagery. Rimbaud lived with uncommon, perhaps unparalleled, devotion to freedom.

Robb's scholarship is impeccable, and his writing is so interesting that - like a novel - I kept turning the pages to find out what happened next. This is a book for everyone who loves Rimbaud, French poetry, biography, and beautiful writing. Thank you, Graham Robb, for giving us the true Rimbaud - the man himself. You opened my mind to his ...

[Rimbaud: A Biography book by Graham Robb](#)

Unknown beyond the avant-garde at the time of his death, Arthur Rimbaud (1854-1891) has been one of the most destructive and liberating influences on twentieth-century culture. During his lifetime he was a bourgeois-baiting visionary, and the list of his known crimes is longer than the list of his published poems. But his posthumous career is even more astonishing: saint to symbolists and ...

[GRAHAM ROBB RIMBAUD PDF - himejicon.info](#)

Robb seeks to get to the heart of his subject by pulling away the web of myth in which his subject's life has been shrouded: "One of the starting-points of this biography was the discovery that Rimbaud's image is still a faint reflection of the evidence"; and by following Rimbaud's detailed European travels with an equally detailed description of those in the Horn of Africa, Robb has "tried at ...
