Sea to Shining Sea is the companion book to Grayfox; the story about Corrie Hollister's brother Zach. This book fills in the background information that is missing in Grayfox. It also gives great early Civil War history. Corrie does a lot of traveling in this book. She speaks for California's new Republican Party, their candidate Abraham Lincoln and raises money. In the end, she is betrayed by a young man she has fallen in love with. It isn't until he is out of her life that she ...
