[The Black Sun The Alchemy And Art Of Darkness Carolyn And Ernest Fay Series In Analytical Psychology](#)

The black sun, an ages-old image of the darkness in individual lives and in life itself, has not been treated hospitably in the modern world. Modern psychology has seen darkness primarily as a negative force, something to move through and beyond, but it actually has an intrinsic importance to the human psyche. In this book, Jungian analyst Stanton Marlan reexamines the paradoxical image of the ...
