This magical story follows William's wish for snow. Having listened to his Grandpa's story of how it snowed every winter when he was a little mouse, they make a extra special wish by shaking Grandpa's snow globe which sparkled like magic. When it does not snow that day, nor the day after, William has a dreadful accident whilst reaching for the globe to wish harder! There is of-course a very happy ending and William's winter wish comes true!
